Promotion Scenario Examples

Scenario #1

During your 1st 30 days, you enroll 3 - \$199 Novae Money customers and 4 - \$99 Novae Money customers. You also enroll 7 - \$1 Affiliates. The next month (your 2nd 30 days), the following rebill successfully on their 1st monthly fee payment, 3 - \$199 Novae Money customers, 4 - \$99 Novae Money customers, and 5 - Affiliates. Since 2 - \$99 customers equal 1, you have 5 customers that count towards the promotion and 5 affiliates. You would get \$1000 for accomplishing the qualifications.

Scenario #2

During your 1st 30 days, you enroll 6 - \$199 Novae Money customers. The next month (your 2nd 30 days), 5 - \$199 Novae Money customers rebill successfully on their 1st monthly fee payment. You would get \$500 for the customer bonus!

Scenario #3

During your 1st 30 days, you enroll 4 - \$199 Novae Money customers and 2 - \$99 Novae Money customers. You also enroll 12 - \$1 Affiliates, 3 - \$249 Affiliate, and 1 - \$499 Affiliate. The next month (your 2nd 30 days), the following rebill successfully on their 1st monthly fee payment, 3 - \$199 Novae Money customers, 1 - \$99 Novae Money customers, and 15 - Affiliates. Since 2 - \$99 customers equal 1, you have 4.5 customers (not 5 total) and 15 affiliates that rebilled. You would get \$500.

**REMEMBER: You are still earning your normal commissions for customers and affiliates on a WEEKLY BASIS, these commissions are BONUSSES on top of your normal commissions!
GOOD LUCK!**
